

# Enhancing the Audiovisual Experience in Restaurants and Sports Bars with AV over IP

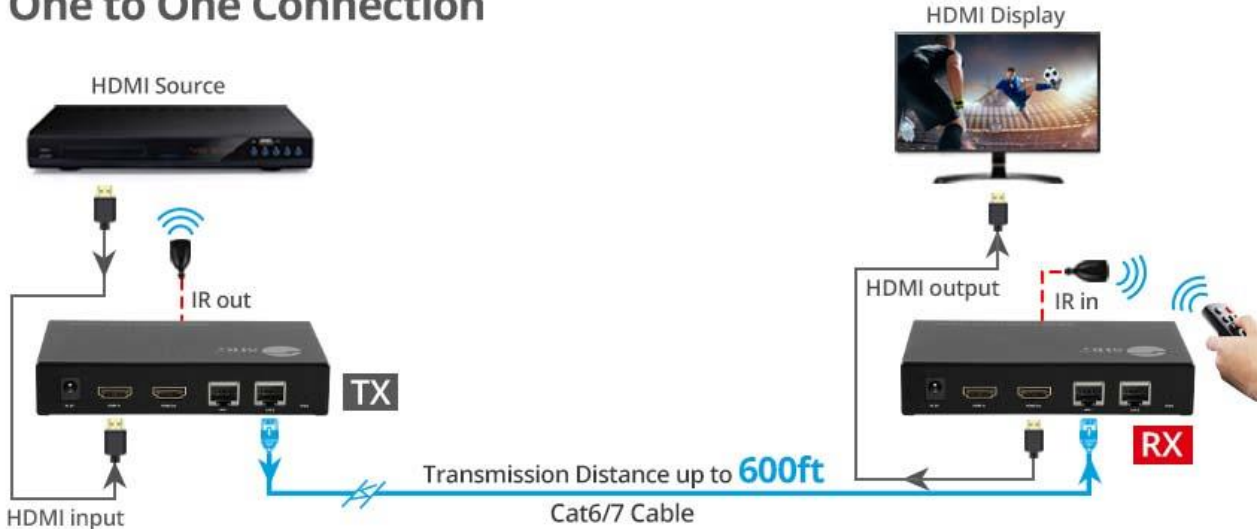

In the competitive hospitality industry, providing a smooth and attractive audiovisual experience is essential for attracting and retaining customers. **SIIG's AV over IP product series** offers a revolutionary solution for restaurants and sports bars, allowing you to seamlessly distribute high-quality audio and video content, manage signals, and reduce costs.

## Unleashing Flexibility with SIIG Solutions

Introducing **Two AV over IP solutions** to meet your specific needs:

1. **Cost-Effective Flexibility:** HDMI over IP Encoder & Decoder Transceiver (CE-H27P11-S1)
  - Versatility: Supports **one-to-one**, **one to many**, and **many to many configurations with VLANs** for optimal control
  - Direct Connections or Large-Scale Deployments: Transmit HDMI signals up to **600ft (180m)** for direct connections or **cascade** them **up to 328ft** per decoder for larger setups with an IGMP Gigabit Switch
  - **Full HD 1080p** Resolution
  - **TAA compliant**

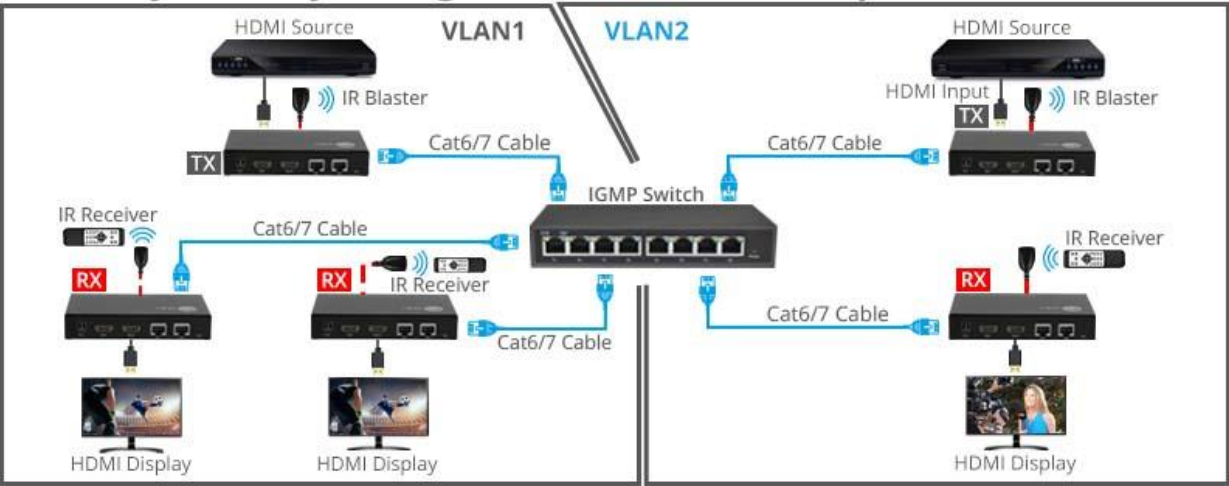

# One to One Connection

# One to Many Connection

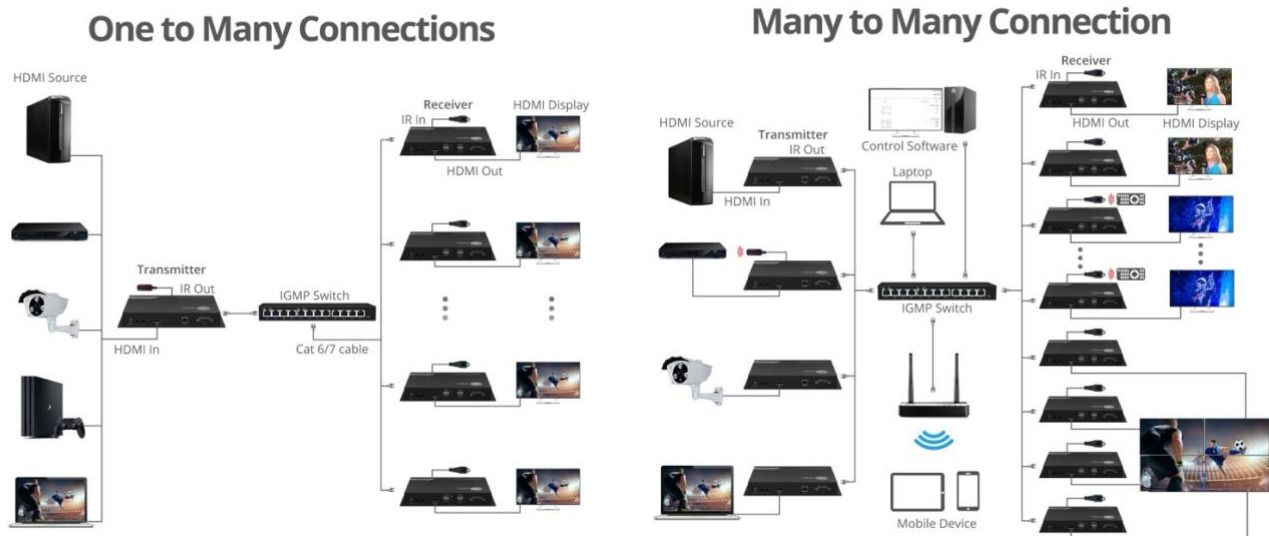

# Many to Many Configuration via VLAN Setups

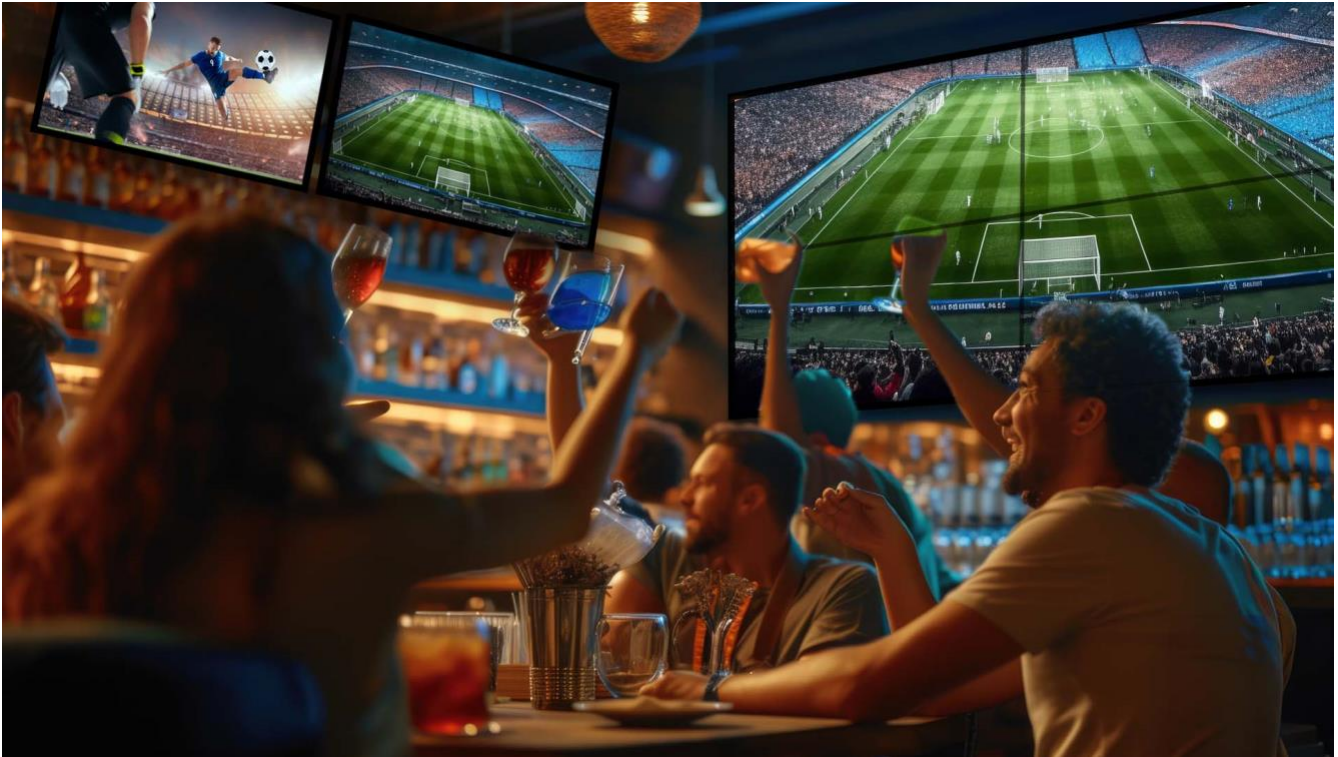

## 2. **Unmatched Performance:** HDMI over IP Matrix Kit (CE-H28A11-S1)

- Versatility: Supports **one-to-one**, **N to M multi-casting**, and **video wall configurations**, offering complete control over content distribution
- Extended Reach: Extends HDMI signals up to **394ft (120m)** using standard Cat6 cables, eliminating the need for expensive long-distance HDMI cables
- **UHD 4K60Hz** Resolution
- **TAA compliant**

## With SIIG's AV over IP solutions, you can:

- **Save costs:** Reduce installation and cabling expenses.
- **Simplify control:** Manage your entire AV system from a central location.
- **Boost flexibility:** Adapt your AV setup to your evolving needs.
- **Create a captivating experience:** Engage your customers with high-quality visuals and seamless content switching.

## Conclusion:

**SIIG's AV over IP product series** empowers restaurants and sports bars to create a captivating audiovisual experience that sets them apart. With its flexibility, scalability, and cost-effectiveness, SIIG provides the perfect solution to enhance your business and keep your customers entertained.
